## Unlock the creativity of your team - anywhere

Surface Hub 2 was designed from the ground up to be used by teams – enabling your people to connect, create and share ideas, regardless of location. The new Surface Hub 2 is sleeker, more agile and more affordable to fit any workspace or work style.

The stunning 4K+ 50.5” multi-touch display creates an inviting canvas to co-create, harnessing the power of Microsoft Teams, Microsoft Whiteboard, Office 365, Windows 10 and the intelligent cloud. The 4K cameras that rotate with the device, integrated speakers and far field mic arrays allow everyone in the meeting to feel as if they are right in the room with the rest of the group.

The Surface Hub 2 adapts to your space and presentation format - either portrait or landscape view.

Enable teamwork anywhere with new Surface Hub 2S, an all-in-one digital whiteboard, meetings platform, and collaborative computing device that brings the power of Windows 10 to teamwork.
