Start using the

Surface Hub 85"

including training, software & support
all for **one monthly payment**

Surface 'Hub as a Service' offering

Carillion Communications clients can enjoy all the benefits of state-of-the-art hardware and support with Haas knowing they are working with a Microsoft Gold Partner and Elite Hub ADR. You can unlock the power of Surface Hub 85 and build a more productive environment, using a platform for rich large-screen apps and unleash unprecedented ways to create and brainstorm with Power BI, Teams, Excel and beyond.

Advantages of Haas

- Transform your workplace into a centre for collaboration and innovation
- Make meetings more engaging and productive
- Quickly scale technology to match business demands
- Shift CapEx spend to OpEx
- Enable faster/easier technology upgrades and enhancements
- Budget-friendly monthly payments that free up cash flow

All for less than

£726.00

per month!

Initial payment £925.10 then 35 payments of £725.10 (plus VAT)

TERMS AND CONDITIONS

The device requires an Office 365 license. All quotes are subject to underwriting and supporting required information being provided by the customer to enable the finance company to make their decision and is available to UK businesses only.

All figures exclude VAT and are provided on a finance lease basis. The VAT on each rental is reclaimable in full via the customers VAT return. This is a public sector lease agreement and each rental is fully tax allowable. Basically, the rentals which fall between the accounting year are fully tax deductible.

OPERATING LEASE OPTION AVAILABLE FOR LOCAL AUTHORITIES / SCHOOLS & ACADEMIES

Initial payment of £847.96 then 35 payments of £647.96 plus VAT.

The equipment does not become the customers during the agreement or at the end as you receive the tax allowances.

All prices exclude delivery costs.
